
Wedding Photography Price List 2012-2013

All my packages include at least one pre-wedding meeting, travel to your wedding (within a 50 mile radius) and a very cute boxed set of 100 different mini cards to send with your 'Thank You' cards or to pop in your handbag and keep!

Gold

- Full coverage of your day (up to 10 hours) from getting ready through to the evening dancing.
- All your fully edited images as both high resolution files on DVD ready for printing, and optimized for sharing on the web on CD with no copyright worries in a beautiful presentation case.
- Secure, password-protected online gallery for viewing of your files and sharing with friends and family.

£1300

Silver

- Up to 8 hours coverage of your day (you choose what time you want me to start/finish).
- All your fully edited images as both high resolution files on DVD ready for printing, and optimized for sharing on the web on CD with no copyright worries in a beautiful presentation case.
- Secure, password-protected online gallery for viewing of your files and sharing with friends and family.

£1100

Bronze

- Up to 6 hours coverage of your day (you choose what time you want me to start/finish).
- All your fully edited images as both high resolution files on DVD ready for printing, and optimized for sharing on the web on CD with no copyright worries in a beautiful presentation case.
- Secure, password-protected online gallery for viewing of your files and sharing with friends and family.

£900

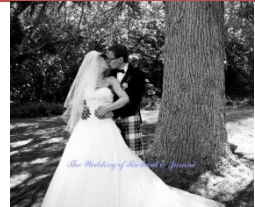

Optional Extras

- **2nd Photographer** to capture all the highlights and details of your day (£400 Gold, £300 Silver, £200 Bronze).
- **Additional hours of photography** can be ordered at £100 per hour.
- **Pre-Wedding shoot.** An opportunity to get to know each other and to feel more comfortable in front of the camera on your big day (and get some great portraits too!). £200. Includes all the fully edited high-resolution images from the shoot on DVD), and secure proofing gallery to share with family and friends.
- **A 'Love the Dress' shoot.** A post-wedding opportunity to put on that fab dress once more and go for some great location portraits in a setting of your choice. £200. Includes all the fully edited high-resolution images from the shoot on DVD), and secure proofing gallery to share with family and friends.

Albums

- I offer a range of albums in various formats with prices starting from as little as £250.
- Parent albums available as duplicate or reduced size copies.
- Full details on request.
